22. [] BRIEFING Mike Madigan, Senate Select Committee on Intelligence staff, called to alert us to the fact that the Committee would be sending us a letter asking for a wide ranging briefing on the activities of Cuban exile groups and any relationship the Agency has with those groups.

23. [] BRIEFING I accompanied [] and [] OER, to a briefing of Senator Gary Hart (D., Colo.) on the movement of oil out of the Persian Gulf. As it turned out, Hart's main interest was not in the world wide movement of oil but rather in the military and terrorist aspects of moving so much oil through the Strait of Hormuz. [] were able to answer his questions and he seemed appreciative of the briefing.

24. [] BRIEFING I dropped by the office of Representative Carroll Hubbard, Jr. (D., Ky.) and briefed him on [] meeting with his constituent, [] who is temporarily residing in this country. I told Representative Hubbard that contrary to what he had been told, [] was really looking for money and arms supplies which he could utilize to overthrow the government [] I explained the problems on this sort of thing to Representative Hubbard who fully understood and said that if his constituent came back to him again he would head him off.

25. [] ADMINISTRATIVE DELIVERIES Delivered to Peg Pokusa, Senate Select Committee on Intelligence staff, for Stan Taylor, also of the Select Committee staff, an Information Fact Sheet on the VIP Medical Program, which Senator Jake Garn (R., Utah) had requested during the 21 October 1976 trip []
